Warranty Letter

We hereby certified that Fraser Residence have purchased 350 Energy Saving from Netbase Invention Sdn Bhd with the PO number 00000002549. In total 313 units have been installed by our engineer together with Fraser Residence's engineering team. Balance unit have been given to Fraser Residence.

This warranty covers 18 months from the date of sign off – 22 February 2018 , which covers any faulty of the energy saving units.

The warranty **does not cover** any faulty of the switch caused by human error (wrongly operate/install the unit until it unable to function) and nature cause not limit to lightning, flood and earthquake.

The fault unit required to be sent to Netbase Invention Sdn Bhd before a new unit being replaced to Fraser Residence Kuala Lumpur.

Thank you for your business.

Sincerely,

Rubena Mohan Vengadraman

Netbase Invention Sdn Bhd
